Motion Carried

Zibell stated he had a request from a resident to look at a possible stop sign at Huntington Park Drive and Eastridge Circle. Currently Huntington Park Drive is a through street. Zibell stated there haven't been any reported accidents and thought it would be best to leave it for now and keep it on the list for possible future action since more development is happening in this area. Committee felt at this time a stop sign isn't warranted.

No Action

Zibell gave an update on current projects including North Dewey Avenue and Eighth Street reconstruction.
