PETITION FILE NO. 14496

JACOB CROSETTO, CLERK
CITY OF REEDSBURG
134 S LOCUST ST
REEDSBURG, WI 53959-1934

REBECCA MEYER, CLERK
TOWN OF REEDSBURG
S3886 GROTE HILL RD
REEDSBURG, WI 53959-9487

Subject: NEWELL BRANDS & WIDOT ANNEXATION

The proposed annexation submitted to our office on April 01, 2022, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city..." so as, to ensure the resulting boundaries are rational and compact. The statute also requires the Department to consider whether the annexing city or village can provide needed municipal services to the territory. The subject petition is for territory that is reasonably shaped and contiguous to the **CITY OF REEDSBURG**, which is able to provide needed municipal services.

Note: Sauk County indicates that the annexation crosses a Supervisory District, so the City will need to either create a new Voting Ward (C16) or petition the County Board to have the Supervisory District adjusted.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of administration a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Department of Administration. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please include your MBR number 14496 with your ordinance.** Ordinance filing checklist available at <http://mds.wi.gov/>, click on "Help on How to Submit Municipal Records". Email scanned copy of required materials (color scan maps with color) to mds@wi.gov or mail to: Wisconsin Department of Administration, Municipal Boundary Review, PO Box 1645, Madison WI 53701-1645.

The petition file is available for viewing at: <http://mds.wi.gov/View/Petition?ID=2570>

Please call me at (608) 264-6102, should you have any questions concerning this annexation review.

Sincerely,

Erich Schmidtke, Municipal Boundary Review

**INTERMUNICIPAL COOPERATION AGREEMENT BETWEEN
THE CITY OF REEDSBURG AND THE TOWN OF REEDSBURG**

THIS AGREEMENT, made effective this 10th day of December, 2007 by and between the City of Reedsburg, a municipal corporation located in Sauk County, Wisconsin ("City") and the Town of Reedsburg, a Wisconsin township located in Sauk County, Wisconsin ("Town").

R E C I T A L S

WHEREAS, sec 66.0301, Stats., authorizes cities and towns to enter into intergovernmental cooperation agreements for the furnishing of municipal services and the joint exercise of municipal powers and duties required or authorized by law; and

WHEREAS, the City and the Town recognize that intergovernmental cooperation and joint planning provide for the best use of land and natural resources and provide for high quality and efficient municipal service; and

WHEREAS, it is the best interest of the City and the Town to resolve boundary, land use and municipal service issues in order to avoid duplication of municipal services and in order to provide an effective means of planning each community's future growth; and

WHEREAS, the City and the Town agree that it is appropriate to prevent unplanned development leading to urban, ex-urban and rural sprawl;

WHEREAS, the City and the Town recognize that this Agreement represents compromises that are required in order to reach a long-term and meaningful cooperation agreement;

NOW, THEREFORE, in consideration of the mutual promises of the parties it is here by agreed as follows:

ARTICLE I GENERAL PROVISIONS

1.1 Growth Area Map. Attached and incorporated by reference is a map marked Exhibit A, "City of Reedsburg Official Extraterritorial Zoning Map", dated December 8, 2003. The purpose of this map is to delineate the City growth area (hereinafter "Growth Area"). The Extraterritorial committee shall review this map every five years after January 2010 and make recommendations to the affected Town's Plan Commission for Town Board approval. During this five year period, a town board may request of the Extraterritorial Committee a change in the Extraterritorial Boundary Line.

1.2 Joint Land Use and Transportation Plan. Attached and incorporated by reference is a map marked Exhibit B, "City of Reedsburg Planning Area Proposed Land Use Map 11-1", (hereinafter "Land Use Plan"), dated April, 2003. The Land Use Plan shall be used to regulate land division, the dedication of rights-of-way and other public improvements in the Growth Area as more particularly described in Article II, below. The City or Town shall not modify the Land Use Plan except in accordance with the City of Reedsburg Zoning Code.

1.3 Extraterritorial Jurisdiction. The parties acknowledge that the City has been exercising its statutory extraterritorial land division review authority in the Town. The City shall continue to exercise its extraterritorial jurisdiction throughout the extraterritorial areas. The City shall also exercise extraterritorial zoning power throughout the extraterritorial area. The Town shall make its planning, official mapping, land division and zoning decisions in full conformance with City policies within the Growth Area for the duration of the Agreement.

1.4 Annexations.

- (a) Any lands for which the City receives a petition for annexation that is located within the Growth Area and are contiguous to the then-current City boundaries may be annexed to the City in accordance with the procedures of sec. 66.0217, Stats.
- (b) The Town shall not directly or indirectly oppose the direct annexation of land to the City located within the Growth Area adjacent to the City. The Town also agrees not to financially support anyone who does oppose or contests an annexation of lands that are located exclusively within the Growth Area. If the Town is involved in any annexation lawsuit by a party other than the City, the Town shall immediately stipulate that it does not oppose the contested annexation. The Town shall also cooperate with the City on the dismissal of the Town as a party to the relevant lawsuit. Upon a request by the City, the Town shall provide a letter to the State of Wisconsin indicating that the

proposed annexation within the Growth Area is in compliance with this agreement.

- (c) Generally, the Townships prefer that no territory outside of the Growth Area be annexed by the City. Should the City, during the term of this agreement, annex any territory outside of the Growth Area, the City agrees in accordance with the provision of sec. 66.0305, Stats., to reimburse the town as liquidated damages and not as a penalty, an amount equivalent to the tax revenue lost to the Town as a result of such annexation each year for a period of 10 years from the date the annexation ordinance is effective. The reimbursement shall be calculated based on the assessed value of all land and improvements in the annexed territory as of January 1 of each year after the annexation took place. The assessed value of such lands shall be multiplied by the mill rate established by the Town for that year to calculate that amount due to the Town under this formula. The reimbursement shall be made within 30 days of the first of January of each year beginning with the first year after the year of the relevant annexation.
- (d) Except as set forth in subsection 1.4 (e) and 2.5 below, the City's annexation powers in the Growth Area are limited to voluntary annexations only. "Voluntary annexations" means annexations defined by sec. 66.0217, Stats.
- (e) It is the parties assumption that the territory within the Growth Area may eventually be annexed to the City. However, the parties acknowledge that under current State annexation law it is probable that certain isolated parcels may remain within the Town even after various larger parcels have been annexed to the city. Therefore, the parties agree that it is necessary to establish a mechanism that will assure the City that all the territory within the Growth Area will eventually be annexed to the City to prevent township islands within the Growth Area. To this end, the parties agree to review the need for a boundary change pursuant to a cooperative plan under sec 66.0307, Stats. The first boundary adjustment review shall occur in January 2010. Subsequent boundary adjustment reviews shall occur every 5 years thereafter. The maximum number or acres eligible for each 5-year boundary adjustment review shall not exceed 100 acres. The purpose of the sec. 66.0301, Stats., cooperative plan is to modify the boundaries between the City and the Town so that the Growth Area will be subject to the City's jurisdiction. The procedures of sec. 66.023, Stats., shall apply to the cooperative planning process described in this subsection.

1.5 Zoning Enforcement. During the term of this Agreement the parties agree that the City will perform zoning enforcement services and functions and development review within all or a part of the Growth Area. In such instances, the Town shall delegate its zoning enforcement powers and responsibilities to the City. The above services will be performed at a cost that shall not exceed the then-current City fee schedule for comparable services performed within the City. The Town shall take all necessary actions authorized by law to cooperate with the City in order to accomplish the intended purposes of this section.

ARTICLE II DEVELOPMENT WITHIN CITY GROWTH AREA

2.1 General Provisions. The City and the Town agree to take action or to refrain from taking action, as set forth in this Article II with respect to the land located within the Growth Area. The following requirements of this Article II shall apply to all territory located within the Growth Area during the term of this Agreement and shall only be removed by annexation to the City.

2.2 New Development. As long as the land remains in the Town, new development in the Growth Area shall be limited to new or expanded agricultural operations, new or expanded commercial uses along Highway 23/33 east and new single-family residential uses or subdivisions.

2.3 Design Standards. All land divisions within the Growth Area shall be designed in compliance with the City's Official Map and City's and Town's Comprehensive Plan for the area by dedicating rights-of-way for expanded existing rights-of-way and for planned rights-of-way. Planned stormwater management facilities and environmental corridor areas shall also be respected in the design of these land divisions. All new development and land divisions shall also comply with the following layout and development standards:

- (a) New development proposals or subdivisions shall first be presented to the Town for review and approval. The proposal shall be accompanied by a layout sketch in compliance with City-density layout requirements.
- (b) No land may be developed and no land may be subdivided without provisions for easements for public utilities, public roads, driveway access location and design, and stormwater management in accordance with the City's Stormwater Ordinance.
- (c) Parcels divided within the townships must meet minimum size requirements according to the City's Zoning Ordinance, Chapter 17.

- (d) All land divisions require the prior approval of the Town.
- (e) New streets constructed within the Growth Area shall contain a minimum 66-foot right-of-way and shall be designed, located and constructed to City specifications if being annexed into the City. If the developer proposes a Town road the road shall be built to the Township standard.
- (f) All rezoning applications must be reviewed and approved by the Town.
- (g) All certified survey maps or platted subdivisions must be reviewed and approved by the Town.
- (h) The Town shall utilize planning and construction standards proposed by the City for new or reconstructed roads, public utilities and other public facilities in the Growth Area. The preceding statement does not apply to the maintenance or repair of Town roads existing as of January 1, 2007, but shall apply to subsequent roadway development and right-of-way dedication requests.
- (i) All land decisions must be approved by the Town and the Reedsburg Area Development Council before approval by the City.

2.4 Sewer and Water. All land divisions within the Growth Area shall be designed for subsequent further land divisions for conventional lots served by public water and sanitary sewer systems. The location of these potential future lot lines shall be clearly depicted on the face of plats and certified survey maps. The City may require public easements for utilities and stormwater management at the time of the initial land division or any subsequent land division. Parcels in the Town may hook up to sewer and water as outlined below.

- (a) If sewer and water are installed along a property outside of the City limits the property owner may hook up to the sewer and water and remain in the Town for a period of 10 years.
- (b) After a period of 10 years the City may elect to annex the parcels connected to either sewer or water as outlined in section 2.5 and section 1.4 (f)

2.5 Annexation by the City. Parcels within the Growth Area may be eligible for annexation by the City whenever the following criteria are satisfied; (a) the parcel is contiguous to the City and is hooked up to sewer or water or the sewer and water is installed along the frontage of the property; (b) the property must also have had the sewer and water available along the property or be hooked on to the sewer or water for a period

of 10 years; (c) there is pressure for development in the surrounding area and the parcels will become a Township island if not annexed into the City. Annexation procedures must follow section 1.4 (e).

2.6 Post-Annexation Land Divisions. After being annexed to the City additional land divisions may occur but must comply with the then-current City zoning requirements for the relevant area. The City reserves the right to levy special assessments on all existing developed and undeveloped properties to cover the cost of extending public utilities into the relevant area. The ability to further divide properties after annexation may be necessary in order to recover the cost associated with the public improvements to serve the annexed territory.

2.7 Extraterritorial Zoning Growth Area. The City may exercise extraterritorial zoning in the Growth Area pursuant to sec. 62.23(7a), Stats., as amended, if a court of competent jurisdiction determines that all or any portion of the design standards contained in section 2.3 are unenforceable. The Town shall grant the necessary approvals and make the necessary appointments in order that the City may exercise extraterritorial zoning powers in the Growth Area.

ARTICLE III COOPERATION

3.1 Advancement of Mutual Interests. The parties acknowledge that in order to effectively implement this Agreement it may be necessary to obtain the cooperation and approval of other governmental agencies, including, but not limited to, Sauk County, the Wisconsin Department of Natural Resources, the Wisconsin Department of Transportation or other State agencies. In all matters necessary to implement this Agreement the parties shall seek the cooperation and approval of all relevant agencies. To the extent practicable, the parties shall submit a single, joint request or other appropriate documents requesting the necessary approval.

3.2 Joint Requests. Examples of joint requests that may require the cooperation of the parties include, but are not limited to, the following:

- (a) Stormwater management, soil erosion control, wetlands and woodlands management;
- (b) Approvals for access to federal, state or county roadways; and
- (c) Approvals for a cooperative plan pursuant to sec. 66.0307, Stats.

ARTICLE IV DISPUTE RESOLUTION

4.1 Dispute Resolution. All disputes over the interpretation or application of this Agreement, or the enforcement thereof, shall be resolved according to the following dispute resolution procedures:

- (a) If the dispute cannot be resolved by the personnel directly involved, the parties will conduct the following mediation process before invoking binding arbitration:
 - (i) Each party will designate a representative with appropriate authority to be representative in the mediation of the dispute.
 - (ii) Either representative may request the assistance of a qualified mediator. If the parties cannot agree on the qualified mediator within five days of the request for a mediator, a qualified mediator will be appointed by the Chairperson of the Alternative Dispute Resolution Section of the State Bar of Wisconsin, or if the Chairperson fails to appoint a mediator, by the American Arbitration Association.
 - (iii) The mediation session shall take place within 30 days of the appointment of the representative representatives designated by the parties, or the designation of a mediator, whichever occurs last.
 - (iv) The mediator does not have authority to impose a settlement upon the parties but will attempt to assist the parties in reaching a satisfactory resolution of their dispute. The mediation sessions are private. The expenses of the mediator, if any, shall be borne equally by the parties.
- (b) If the dispute cannot be resolved by mediation the parties shall submit the dispute to binding arbitration by an arbitrator they will request a 5-person panel from the American Arbitration Association. Each party will have 2 strikes from the 5-person panel. The parties may agree to an alternative method for the selection of the single arbitrator.
- (c) The arbitrator shall not be bound by rules of evidence or the substantive laws of Wisconsin. The award of the arbitrator is final and binding and shall be enforceable at law. The parties will equally divide the fees of the arbitrator as well as the cost of a court reporter, if any.

ARTICLE V MISCELLANEOUS PROVISIONS

5.1 Term. The term of this agreement is three (3) years from and after the effective date hereof. The Agreement shall automatically renew for successive term(s) of three (3) years provided no party hereto notifies the other party of its intention not to renew at least ninety (90) days before expiration of the then current term. No breach or violation of any of the terms of this Agreement by either party shall operate to void or terminate or provide grounds for termination of the Agreement, it being the intent of the parties that any such breach or violation shall only be redressed, enjoined or otherwise remedied by the exercise of any lawful, contractual enforcement remedies that are available to be used by the aggrieved party to enforce the terms of the Agreement.

5.2 Severable Provisions. All of the agreements and terms are intertwined and interconnected and shall not be severed or modified. It is agreed that the terms and provisions are interdependent. If any material part of this Agreement is held by a court of competent jurisdiction to be invalid or ineffective the parties shall have 30 days in which to negotiate in good faith to remedy the unlawful or unenforceable provisions. If no agreement can be reached then the entire Agreement shall be null and void; provided, however, that the Town may retain any revenue sharing it has received prior to the termination of the Agreement.

5.3 Enforceability. The enforceability of this Agreement will not be affected by changes in the forms of City or Town government or changes in elected officials. The parties agree that this agreement shall be constructed so as to be binding on their respective agents, successors and employees. The parties shall not directly or indirectly challenge the provision or enforceability of this Agreement during its term.

5.4 No Waiver. The failure of any party to require strict performance with any provisions of this Agreement does not constitute a waiver of the provision or of any rights under this Agreement. Rights and obligations under this Agreement may only be waived or modified in writing. A writing waiving a right must be signed by the party waiving their right. Waiver of one right, or release of one obligation, does not constitute a waiver or release of any other right or obligation.

5.5 Performance Standard. This Agreement requires the parties to act or to refrain from action on a number of matters. The parties hereby acknowledge that this Agreement imposes a duty on them of good faith and fair dealing. Whenever consent or approval is required by a party, the consent or approval shall not be unreasonably withheld.

5.6 Notices. All notices required under this Agreement must be served, either personally or by certified mail, upon the other party's municipal clerk. Any action taken by a party in violation of the relevant notice requirement is voidable unless, under the facts of a particular case, the public interest outweighs strict enforcement of the notice requirement.

5.7 Complete Agreement. This Agreement is the complete agreement of the parties with respect to the matters covered by this Agreement and it shall supersede all prior agreements or municipal policies and ordinances to the contrary. No agreements, promises or representations made during or in connection with the negotiations for or approval of this Agreement shall be binding or effective unless they are included herein. This Agreement shall be filed with the Register of Deeds for Sauk County. This Agreement may be used in litigation and may be introduced into evidence by either party without objection in any action to enforce the terms of this Agreement.

5.8 Construction. This Agreement shall be liberally construed to accomplish its intended purposes. The parties acknowledge that the language contained in this Agreement is the product of numerous individuals representing various interests. Therefore, the ambiguities shall not be construed against the drafter of the document. This Agreement should be constructed to give a reasonable meaning to each of its provision and a construction that would render any of its provisions meaningless, inexplicable, or mere surplusage is to be avoided.

5.9 Amendments. This agreement represents the complete agreement of the parties and may be amended only by a writing signed by all parties.

ETHICS CODE AND BOARD

§ 55-1. Statement of purpose.

- A. The proper operation of democratic government requires that public officials and employees be impartial and responsible to the people; that government decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established a Code of Ethics for all City of Reedsburg officials and employees, whether elected or appointed, paid or unpaid, including members of boards, committees and commissions of the City, as well as any individuals who are candidates for elective office as soon as such individuals file nomination papers with the City.
- B. The purpose of this Ethics Code is to establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions that are incompatible with the best interests of the City of Reedsburg and by directing disclosure by such officials and employees of private financial or other interests in matters affecting the City. The Common Council believes that a Code of Ethics for the guidance of elected and appointed officials and employees will help them avoid conflicts between their personal interests and their public responsibilities, will improve standards of public service and will promote and strengthen the faith and confidence of the citizens of this City in their elected and appointed officials and employees. The Common Council hereby reaffirms that each elected and appointed City official and employee holds his or her position as a public trust, and any intentional effort to realize substantial personal gain through official conduct is a violation of that trust. The provisions and purpose of this Ethics Code and such rules and regulations as may be established are hereby declared to be in the best interests of the City of Reedsburg.

- C. Political contributions. No official shall personally solicit from any City employee, other than an elected official, a contribution to a political campaign committee for which the person subject to this chapter is a candidate or treasurer.

§ 55-7. Conflict of interest.

- A. Financial and personal interest prohibited.
 - (1) No official or employee of the City, whether paid or unpaid, shall engage in any business or transaction or shall act in regard to financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of official duties in the public interest contrary to the provisions of this chapter or which would tend to impair independence of judgment or action in the performance of official duties.
 - (2) Any member of the Common Council who has a financial interest or personal interest in any proposed legislation before the Common Council shall disclose on the records of the Common Council the

nature and extent of such interest; such official shall not participate in debate or vote for adoption or defeat of such legislation. If the matter before the Council involves a member's personal interest with persons involved, the member may participate in debate or discussion and vote on the matter following disclosure unless an ordinance or contract is involved; if an ordinance or contract is involved, such official shall not participate in debate or discussion and vote on the matter.

- (3) Any nonelected official, other than a City employee, who has a financial interest or personal interest in any proposed legislative action of the Common Council or any board, commission or committee upon which the official has any influence or input or of which the official is a member that is to make a recommendation or decision upon any item which is the subject of the proposed legislative action shall disclose on the records of the Common Council or the appropriate board, commission or committee the nature and extent of such interest. Such official shall not participate in debate or discussion or vote for adoption or defeat of such legislation.
 - (4) Any City employee who has a financial interest or personal interest in any proposed legislative action of the Common Council or any board, commission or committee upon which the employee has any influence or input, or of which the employee is a member, that is to make a recommendation or decision upon any item which is the subject of the proposed legislative action shall disclose on the records of the Common Council or the appropriate board, commission or committee the nature and extent of such interest.
- B. Disclosure of confidential information. No official or employee shall, without proper legal authorization, disclose confidential information concerning the property, government or affairs of the City, nor shall such information be used to advance the financial or other private interests of the official or employee or others.
- C. Gifts and favors.
- (1) No official or employee, personally or through a member of his or her immediate family, may solicit or accept, either directly or indirectly, from any person or organization money or anything of value if it could be expected to influence the employee's official actions or judgments or be considered a reward for any action or inaction on the part of the official or employee.
 - (2) No official or employee, personally or through a member of his or her immediate family, shall accept any gift, whether in the form of money, service, loan, thing or promise, from any person which may tend to impair his or her independence of judgment or action in the performance of his or her duties or grant in the discharge of his or her duties any improper favor, service or thing of value. However, it

is not a conflict of interest for any public official or employee to receive a gift or gratuity that is an unsolicited item of nominal intrinsic value such as a meal, and that is not intended to influence the official. Any official or employee who receives, directly or indirectly, any gift or gifts from any person who is known by said official or employee to be interested, directly or indirectly, in any manner whatsoever in business dealings with the City upon which the official or employee has any influence or input or over which the official or employee has any jurisdiction, discretion or control shall disclose the nature and value of such gifts to the Common Council by January 15 next following the year in which the gift or gifts are received.

- (3) An official or employee is not to accept hospitality if, after consideration of the surrounding circumstances, it could reasonably be concluded that such hospitality would not be extended were it not for the fact that the guest, or a member of the guest's immediate family, was a City official or employee. Participation in celebrations, grand openings, open houses, informational meetings and similar events are excluded from this prohibition. This subsection further shall not be construed to prevent candidates for elective office from accepting hospitality from citizens for the purpose of supporting the candidate's campaign.
- (4) Gifts received by an official or employee or his or her immediate family under unusual circumstances shall be referred to the Common Council within 10 days of receipt for recommended disposition. Any person subject to this chapter who becomes aware that he is or has been offered any gift, the acceptance of which would constitute a violation of this subsection, shall within 10 days disclose the details surrounding said offer to the Common Council. Failure to comply with this reporting requirement shall constitute an offense under this chapter.

D. Representing private interests before City agencies or courts.

- (1) Nonelected City officials and employees shall not appear on behalf of any private person (other than himself or herself, his or her spouse or minor children) before any City agency, board, commission or the Common Council if the official or employee or any board, commission or committee of which the official or employee is a member has any jurisdiction, discretion or control over the matter which is the subject of such representation.
- (2) Elected City officials may appear before City agencies on behalf of constituents in the course of their duties as representatives of the electorate or in the performance of public or civic obligations. However, the disclosure requirements of Subsection A above shall be applicable to such appearances.

- E. Ad hoc committee exceptions. No violation of the conflict of interest restrictions of this chapter shall exist, however, where an individual serves on a special ad hoc committee charged with the narrow responsibility of addressing a specific issue of topic in which that individual, or the employer or a client of that individual, has an interest, so long as the individual discloses to the Common Council that such interest exists.
- F. Contracts with the City. No City official or employee who, in his or her capacity as such officer or employee, participates in the making of a contract in which he has a private pecuniary interest, direct or indirect, or performs in regard to that contract with some function requiring the exercise of discretion on his or her part shall enter into any contract with the City, unless within the confines of § 946.13, Wis. Stats.:
 - (1) The contract is awarded through a process of public notice and competitive bidding or the Common Council waives the requirement of this chapter after determining that it is in the best interest of the City to do so.
 - (2) The provisions of this subsection shall not apply to the designation of a public depository of public funds.

§ 55-8. Ethics Board. [Amended 7-26-2010]

- A. The Ethics Board shall consist of five members. The membership of the Ethics Board shall consist of four citizens and one alderperson. The nonalderperson members shall not be elected officials, full-time appointed officials or City employees, nor shall the non-Council members be currently serving on any other City board, commission or committee. The City Attorney shall furnish the Board any legal assistance necessary to carry out its functions.
- B. Ethics Board members shall be appointed by the Mayor, subject to confirmation by the Council. Initial terms of office shall be: one citizen shall be appointed for two years, one citizen will be appointed for one year, and two citizens will be appointed for three years. Thereafter, all terms shall be three years. Terms begin May 1 of the respective year. Each year, the Mayor shall appoint the alderperson at the annual reorganization meeting. Three members shall constitute a quorum of the Board.
- C. The Ethics Board shall elect its own chair.
- D. The Ethics Board may make recommendations to the Common Council with respect to amendments of this Code of Ethics.
- E. Any person covered by this Ethics Code may apply, in writing, to the Board for an advisory opinion regarding the propriety of any matter to which the person is or may become a party. The Board shall meet to review such a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests therefor

shall be in writing and shall state all material facts. It shall be prima facie evidence of intent to comply with this Ethics Code when a person refers a matter to the Board and abides by the advisory opinion of the Board if the material facts are as stated in the opinion request. Meetings held by the Board for deliberation and action upon such application shall not be open to the public nor shall a nonmember, Common Council member or the Mayor be authorized to attend any such meeting of the Board unless requested to do so by the Board. Advisory opinions rendered by the Board shall be in writing and shall state the material facts upon which the opinion is based. A record of the Board's opinions, opinion requests and investigations of violations shall be closed to public inspection as required by Chapter 19, Wis. Stats. Except as provided by § 19.59(5)(b), Wis. Stats., the Board shall not make public the identity of any person requesting an advisory opinion or of persons or organizations mentioned in the opinion. If the Board determines that an advisory opinion rendered by the Board would be of significant value to other officials or employees, the Board may issue a summary of the opinion, provided that the summary does not disclose the identity of the person originally requesting the advisory opinion. In all cases, the Board may request an advisory opinion from the City Attorney.

- F. All complaints alleging that an official or employee committed a violation of this Ethics Code shall be addressed to the Ethics Board and shall be filed with the City Clerk-Treasurer. All such complaints shall be in writing and verified and shall state the name of the official or employee alleged to have committed a violation of this Ethics Code and shall further state the evidentiary facts supporting the charge.
- G. Within 14 days after the filing of a properly verified complaint with the City Clerk-Treasurer, the Board shall meet to review the complaint. Within three business days after its initial review of the complaint, the Board shall mail a copy of the complaint to the respondent by certified mail or shall have a copy of the complaint delivered to the respondent by personal service.
- H. Following its initial review of a verified complaint, the Board may make a preliminary investigation with respect to each alleged violation of this Ethics Code. No preliminary investigation of an alleged violation of this Ethics Code may be initiated until a copy of the complaint and notice of the Board's intent to investigate the charge has been mailed by certified mail to the respondent or personally served upon the respondent. The preliminary investigation shall be completed within 30 days of the date that the complaint and notice thereof is mailed to the respondent or personally served upon the respondent, except the Board may extend the investigation period for up to an additional 60 days with notice to the respondent and to the complainant.
- I. If, after its preliminary investigation, the Board finds that probable cause does not exist for believing that the respondent violated this Ethics Code, it shall dismiss the complaint. The Board shall promptly

notify the complainant and the respondent by certified mail or personal service of its decision dismissing the complaint. The Board's decision to dismiss a complaint shall be final. The same complaint or a complaint which is substantially similar to the dismissed complaint shall not be reconsidered by the Board unless, within 20 days of the Board's mailing or personal service of its dismissal order, the complainant files with the Board additional material facts which were not available to the complainant at the time the original complaint was filed and which, if true, would probably change the Board's decision. The Board's decision to reconsider or not to reconsider a decision under this subsection shall be final. If the Board determines that a verified complaint was brought for harassment purposes, the Board shall so state in its decision.

- J. If, after its preliminary investigation, the Board finds that probable cause does exist for believing the allegations of the complaint, it shall conduct a hearing on the matter. The hearing shall be held not more than 60 days after the Board's finding of probable cause. The Board shall give the respondent and complainant written notice of the hearing date by mailing a notice thereof to the respondent and to the complainant by first class mail at least 20 days prior to the hearing date thereof. The hearing shall be held in closed session except that the respondent shall have a right to demand that the hearing be held in open session and, upon such demand, the Board shall conduct the hearing in open session.
- K. The chairperson of the Board shall preside over the proceedings, and the City Attorney shall provide legal assistance to the Board as needed. The complainant and the respondent may be represented by an attorney, and the respondent may also be represented by a union representative. Both parties may compel the attendance of witnesses by subpoenas. Subpoenas may be issued by the Chairperson of the Board pursuant to § 885.01, Wis. Stats. Each party shall be responsible for serving subpoenas on its respective witnesses and for paying any witness and mileage fees to the witness as required by the Wisconsin Statutes.
- L. All testimony of witnesses at the proceedings shall be given under oath, administered by the Chairperson in the form and manner prescribed by the Wisconsin Statutes. A record of the testimony may be made by stenographic, electronic or other recording method, as the Board determines. The record produced at the direction of the Board shall be the official record of the proceeding. The proceedings may be adjourned or continued by the Board from day to day until completed.
- M. The proceedings shall be conducted in the following order:
 - (1) Statement of the issues and rules by the Chairperson.
 - (2) Brief factual summaries, if any, by both sides.
 - (3) Presentation of testimony and the introduction of evidence by the complainant to substantiate the charge.

- (4) Cross-examination of witnesses by the respondent.
 - (5) One additional opportunity to question witnesses by the complainant.
 - (6) One additional opportunity to cross-examine witnesses by the respondent.
 - (7) Presentation of the base for the respondent.
 - (8) Repeat of Subsection M(4), (5) and (6) above regarding witnesses and evidence produced on behalf of the respondent.
 - (9) Opportunity for each side to present evidence in rebuttal of any evidence presented by the opposing side.
 - (10) Brief closing arguments, if any, by both sides.
- N. The Board shall not be bound by common law or statutory rules of evidence, and the Board shall hear all evidence having reasonable probative value, but shall exclude immaterial, irrelevant or unduly repetitious testimony or evidence. Basic principles of relevancy, materiality and probative force shall govern this proceeding. Hearsay evidence will not be permitted where direct evidence is reasonably available. The Board will not base crucial or essential evidentiary findings on hearsay evidence. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record. All evidence, including records and documents, shall be duly offered and made a part of the record. The Chairperson shall rule on any objections or procedural matters. Any member of the Board and the City Attorney may ask questions of the witnesses. No party or witness shall be permitted to ask questions of any Board member during the proceedings, unless expressly authorized by the Chairperson.
- O. The Board shall deliberate in closed session.
- P. Within 10 working days of the conclusion of the hearing, the Board shall file its written findings of fact, conclusions of law and recommendations signed by a majority of the participating members and concerning the propriety of the conduct of the respondent. Any member of the Board may indicate his/her dissent to the written order. If the Board determines that no violation of the Code of Ethics has occurred, it shall dismiss the complaint, and if requested to do so by the respondent, the Board shall issue a public statement in that regard. If the Board finds that clear, satisfactory and convincing evidence exists for believing the allegations of the complaint, the Board shall refer its findings, conclusions and recommendation to the Common Council or to other proper City authority and/or, in the case of an employee, to the City Administrator and/or the Mayor as deemed appropriate. In its recommendation, the Board may recommend that the Common Council order the official or employee to conform his or her conduct to the

Ethics Code or recommend that the official or employee be cautioned, censured, suspended, removed from office, issued a private reprimand, public reprimand, and, in the case of an employee, may also recommend suspension without pay, discharge, or other appropriate disciplinary action. In appropriate cases, the Board may recommend the referral of the matter to the District Attorney to commence enforcement proceedings pursuant to the procedures and remedies of § 19.59, Wis. Stats.

- Q. Records obtained or prepared by the Board in connection with an investigation of a violation of this Ethics Code shall not be open for public inspection, except that the Board shall permit public inspection of records of a hearing conducted in open session pursuant to the request of the respondent as provided in Subsection J hereof. Whenever the Board refers an investigation and hearings record to a District Attorney, the District Attorney may make public such records in the course of a prosecution initiated thereon.
- R. The time frames set forth in this Ethics Code specifying Board action are not jurisdictional, and the Board may, where appropriate, extend any time period as necessary.

§ 55-9. Distribution of provisions.

- A. The City Clerk-Treasurer shall cause a copy of this Code of Ethics to be distributed to every public official and employee of the City within 30 days after enactment of this chapter. Each public official and employee elected, appointed or engaged thereafter shall be furnished a copy before entering upon his or her duties.
- B. Each public official, Mayor, the Chairman of each board, commission or committee and, through the City Administrator, the head of each department shall between May 1 and May 31 each year, review the provisions of this chapter with his or her fellow Council members or board, commission, committee members or subordinates, as the case may be, and certify to the City Clerk-Treasurer by June 15 that such annual review had been undertaken. A notice of this Ethics Code shall be continuously posted on the City bulletin boards wherever situated.
- C. Each public official and employee shall, in connection with Subsections A and B above, also complete and file with the City Clerk-Treasurer, as appropriate, the following statement of understanding:

"I have read and understand the contents of the City of Reedsburg Ethics Code, including the attached state statutes.* I also understand that I am expected to adhere to and conduct myself according to rules, guidance and direction as set forth in the Ethics Code." (*Sections 946.10 through 946.13 and 19.41 et seq., Wis. Stats.)

§ 55-10. Employees covered by collective bargaining agreements.

In the event an employee covered under a collective bargaining agreement, is allegedly involved in an Ethics Code violation, the terms and conditions set forth in the applicable collective bargaining agreement shall prevail in the administration and interpretation of this Ethics Code.

§ 55-11. Sanction.

A determination that an employee's actions constitute improper conduct under the provisions of this chapter may constitute a cause of suspension, removal from office or employment or other disciplinary action. Sanctions, including any disciplinary action, which may affect employees covered under a labor agreement will be consistent with the terms and conditions set forth in the applicable labor agreement.

§ 55-12. Police officers and firefighters.

When an ethics complaint has been filed against a police officer or firefighter or the Chief of either the Police or Fire Department, the procedure shall be performed in accordance with the provisions of § 62.13, Wis. Stats.

§ 55-13. Violations and penalties.

Violation of any provision of this chapter should raise conscientious questions for the incumbent concerned as to whether voluntary resignation or other action is indicated to promote the best interests of the City of Reedsburg. For nonelected officials or City employees, violation may constitute a cause for suspension, removal from office or employment, or other disciplinary action. As an alternative or an addition to the sanctions imposed herein, any person violating the provisions of this sanction shall be subject to a nonreimbursable forfeiture of not less than \$100 nor more than \$500.

To Whom It May Concern:

I am happy to write this letter in support of the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) - Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project.

This fieldhouse project will be an important and significant addition to the greater Reedsburg area for use for recreational opportunities. In addition to those opportunities for our local residents, a facility of this nature will also benefit our local economy with the influx of tournament attendees throughout the year. The School District of Reedsburg and City have enjoyed a great collaborative partnership and this facility would only enhance that. In addition to providing much needed "court-space," the fieldhouse will also take pressure off of our local school gymnasiums which routinely receive more requests for community use than we are able to accommodate.

The City's Fieldhouse Project is a winner on many levels. I support it fully, and I hope the Economic Development Initiative-Department of Housing and Urban Development will support it, too. Thanks for your consideration!

Kind Regards,

Roger J. Rindo

To Whom It May Concern:

I am contacting you to indicate my full support for the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project. Viking Village, Inc and our associated local businesses (Viking Grocery, Viking Liquor, BP Express Mart, and Viking Express Car Wash) are excited for the city building this new structure just down the street from us.

As a business owner, this will be a huge opportunity for our community and will generate revenue for all of Reedsburg's local businesses when athletes and their families come to Reedsburg for events at this facility. Local charitable groups will have increased opportunities for fund raising. Local and regional athletes will have a new venue for competitions. This will also help with community growth, bringing young families with future athletes to live in Reedsburg and the surrounding area.

Please feel free to contact me if you would like to speak to me in more detail on my thoughts for this project and its impact on our great community.

Sincerely,
Pamela Coy

I am contacting you to show my full support for the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project.

As a local business owner, with a restaurant right down the street, this obviously benefits me immensely, but it also benefits the entire City of Reedsburg and all those who live here. We live in an already wonderful community, which has countless students involved in sports that will surely utilize the facility, and it will also bring in many more from around the Midwest. This will certainly bring in revenue for us as well as driving traffic downtown which will help revitalize and area of Reedsburg which is seeing some positive growth already.

All of this growth will create additional jobs, and higher paying jobs.

I am truly excited for this project - for me, my restaurant, my staff, my family, and all of Reedsburg.

Please feel free to contact me if you would like to speak more in depth about this project and how I feel it will impact Reedsburg.

Sincerely,

As a local restaurant owner just down the street, it will benefit me immensely, but will also benefit other local businesses as well. We live in an already wonderful community, which has countless students involved in sports that will surely utilize the facility year-round. This facility will be a corner stone to the Reedsburg community. As a business owner in the Wisconsin Dells, a facility similar to this brings in a lot of traffic and business to local communities

The field house will bring new businesses in and will also create more higher paying jobs for both adults and students.

This fieldhouse project will be an important addition to the area for use for recreational opportunities. In addition to those opportunities for our local residents, this will also benefit our local economy with the influx of tournament attendees.

Please feel free to reach out with any other questions. As a parent as well of children that will use this facility, I am excited for this project.

My name is Mark Barreau and I am the Board President for the RAYS (Reedsburg Area Youth Softball) organization. I am contacting you, on behalf of our Board, to show our support for the grant requested by the City of Reedsburg to the Economic Development Initiative – Department of Housing and Urban Development pertaining to the City's "Reedsburg Fieldhouse" project. This fieldhouse project is an important step in the growth of the Reedsburg community and the opportunity to benefit local businesses.

We feel that this fieldhouse will also give the young girls in our program a safe and welcoming place to improve their skills, meet new friends and build confidence. We also feel that this would be an opportunity for a community to work closer together and programs, such as Youth Softball and Little League, can support each other. This fieldhouse would also bring revenue to the Businesses in our community, that in turn sponsor our youth programs, so that the kids are given resources to make an impact. The "Trickle-Down" effect would be amazing. With that being said, I hope that our show of support will make your decision easy to approve this grant. Thank you for your time.

Sincerely,

To whom it may concern,

I am contacting you in regards to my support for the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) - Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project.

The fieldhouse project will be a positive benefit to the children participating in our organization: Reedsburg Area Youth Basketball (RAYB). Our participation is currently limited by the space allotted to us by the School District of Reedsburg (SDR). The fieldhouse will increase opportunities to participate in addition to providing those opportunities at times during the evening more appropriate for young children. Initial plans for fieldhouse operations indicated that access to the fieldhouse during the week will be offered at a zero cost to our youth organizations and minimal costs for individuals. Our public school district, SDR, identifies almost 50% of our students coming from homes considered "economically disadvantaged" as defined by qualifying for free/reduced lunches. The fieldhouse project prioritizes the needs of our community first by increasing recreational opportunities for children and adults in a variety of activities at an affordable cost.

I have no doubt weekend events and tournaments at the fieldhouse will be a positive economic benefit for our community. Our own annual RAYB tournament draws over 60 teams to Reedsburg. In recent years, we've drawn teams from as far away as Crivitz, Kettle Moraine, and Janesville. We've done this utilizing a patchwork of six courts in four school district gyms. A well run tournament at a single modern location should easily replicate and exceed this amount of entries on a consistent basis. It is not uncommon for entire families, along with extended family, to attend our tournament in support of a single child. These families gather for lunch and/or dinner at Reedsburg restaurants, and often choose to stay at local hotels.

RAYB overwhelmingly supports the fieldhouse project for increasing recreational opportunities for children and providing an economic boost to the continued growth of our community.

Sincerely,

I am contacting you in regards to my support for the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) - Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project.

This fieldhouse project will be an important addition to the area for use for recreational opportunities. We are currently in our first season for our RAYV Force Volleyball program that includes 3rd - 8th graders. We are looking to extend our program to the high school ages in the future as well. We created our RAYV Force volleyball program to give volleyball opportunities to our youth. There are very limited opportunities in this area. I would say we have had a successful turnout for our 1st year and we hope we will continue to grow. It has been very difficult to get gym space for our youth program in our first season, especially with how many teams we formed. We have had to work around other youth programs as well as city leagues too. Adding more gym space to the area would eliminate this issue. We would be able to run our practices, camps, clinics, open gyms, tournaments, scrimmages, and playdates out of the Reedsburg Fieldhouse.

I saw a draft of the Fieldhouse and was excited to see there was a walking track above the courts. The City of Reedsburg can promote walking clubs for youth and adults over the winter months and continue them into the summer creating a wonderful wellness opportunity for all individuals. There will be so much more our recreation department can do for our community with this Fieldhouse. In addition to those opportunities for our local residents, this will also benefit our local economy with the influx of tournament attendees.

Thank you so much for your time and consideration,

Renee Reuter
RAYV Force President

To whom it may concern:

I am contacting you on behalf of the Reedsburg Area High School baseball program to offer our support of the grant request for the Reedsburg Fieldhouse. The multi-sport complex would be a HUGE benefit for the high school baseball program.

The team currently has open gyms that start in December and run into March. They are held at the high school in the small gym. There are two obstacles to holding these at the high school in the winter.

The first is scheduling around all of the winter sports. (Boys and girls basketball, gymnastics, and wrestling). It is a challenge finding available times on a consistent basis for kids to come in and work on skills and arm strength/endurance. There are other school gyms in the district that we could use, but the batting cages are at the high school, so we are locked into that building.

The second is space. We have two cages in the small gym and two in the upper gym. During the winter months, gymnastics is in-season so all of their equipment is set up in the upper gym, so that room is off limits until March. We do use the small gym, but when you drop down 2 cages and have 30+ kids coming in, it does not leave any room to safely do other drills, as the small gym is one basketball court in size.

Once our season starts, we are inside whenever the weather is bad.....which is quite often. We rotate on an early practice/late practice schedule with softball, track, and soccer. With the rotation and sharing space, there are times when we only have the small gym and upper gym. That is definitely not ideal when you have almost 50 kids coming in for baseball practice. That does not leave any room to throw and play catch, or even work on fly balls and grounders.

The new facility would give us more opportunities in the winter to do long toss, work on pitching, hitting, and other skill work in a much larger area, making it safer for all involved. It would also allow baseball to practice there in the spring on bad weather days, as the facility is next to our field. That would help solve the early/late practices at the high school and eliminate some of the congestion.

The new facility would be a huge asset to our community and is definitely something that the high school baseball team could use and benefit from, making our program stronger and better.

I am contacting you in regards to my support for the grant request by the City of Reedsburg to the Economic Development Initiative (EDI) - Department of Housing and Urban Development for the City's "Reedsburg Fieldhouse" project.

I believe this Fieldhouse would be a major step forward for our community. It would not only benefit the young athletes of Reedsburg and community members but also the local businesses (year round). There are so many positives to building this Fieldhouse: kids being able to practice at reasonable times, the use of multiple sports in the facility, bringing people to Reedsburg and stopping by our businesses (year round), tournaments/opportunities for kids (to name a few).

I feel that there are certain things that stand out in a community/city that makes the people that live there proud - this would be one of those projects. I give my full support towards making it happen.

Thank You!
