Motion by Martin, seconded by Liegel to approve the 6/13/22 minutes.

Consider local art in public spaces

Discussion was held on amending the Commission's name to add Arts but was decided to leave as is, especially with the new CLG status. Review was done on a new Saputo sign draft. A picture of the previous barn should be added. The sign itself has to be mounted on its own as it is too heavy for the fence. Discussion held on locations for future murals such as the FD building.

Consider WAHPC annual membership

Motion by Liegel, seconded by Manion to approve renewing membership.

Motion approved

Consider future historic virtual tour

Gnatzig demonstrated an example of a virtual online tour using a Madison location. T could be added to the HPC website.

Consider local video history segments & grants, history room, and historical sites and signs

Motion by Smith, seconded by Manion to approve purchase of a National Register sign for the Perry House.

Motion approved

Motion by Smith, seconded by Gnatzig to approve purchase of a National Register sign for the livery.
