

Reedsburg WI.  
Sept 22, 2022

The Reedsburg Airport Commission convened in session on September 22, 2022 at 7:30 am with the following members present: Jason Schulte, John Chamberlin, and Jason Schulte

Also Present: Steven Zibell, Tom Parker, Henry and Dave

Motion by Schulte second by Chamberlin to approve the minutes from the May 27, 2022 meeting.

Motion Carried

Zibell stated the Reedsburg Aviation Lease and Operations Agreement was due and would like to extend it another 5 years. Chamberlin brought up lease prices and he thought it would be a good idea to have a Commission Policy on lease rates since some of the older leases are rather vague. Commission felt this was a good idea and Zibell would bring something to the next meeting. Motion by Schulte seconded by Chamberlin to extend the Lease and Operations Agreement for another 5 years.

Motion Carried

Zibell stated the Reedsburg Aviation Airport Management contract was also up for renewal and Zibell stated he was ok with another 5-year extension. Motion by Schulte seconded by Chamberlin to extend the Airport Management contract another 5 years.

Motion Carried

Zibell discussed an option to allow the Butterfest Demo Derby and Tractor Pulls to use a part of the Airport next June. Zibell stated it would be fenced and any apparatus including bleachers and lights would be temporary. There was a good discussion amongst the members and other citizens and it was decided to have some type of agreement or conditions including timing, fencing, lighting, security, cleanup and possible charges for staff time. Zibell stated he would have the City Attorney draft a one-page agreement and bring it back to our next meeting.

Moved by Schulte second by Chamberlin to adjourn at 8:32 am.

Motion Carried.

Steven T. Zibell, Public Works Director/City Engineer
