From: Brian Duvalle
Subject: 2022 Planning/Building Report

Mayor and Alderpersons,

The following is a summary of planning/zoning, building inspection, and code enforcement for 2022.

PLANNING / ZONING

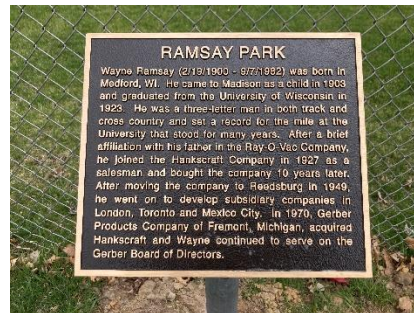

- The Plan Commission approved 28 Conditional Uses/Site Plans, 5 CSMs/Plats, 7 rezonings and 3 annexations. Approvals included United Co-op, former South School, True Value, Kwik Trip, Riffey Transload, Reedsburg Ambulance, Holiday Inn Express, fieldhouse, Reedsburg Salvage, Saputo, DRM, Jay's Motor Sports, RUC (solar), Cellox, Korth Transfer, Lynn Properties (4-unit commercial), home businesses and residential farming. Zoning amendments included updates to the ZBA, mobile home parks, site plan review, parking and temporary signs.

- The Zoning Board of Appeals approved 11 zoning variances. They included garages, carports, fences, lot frontage and signs.
- Completed the Comprehensive Plan process with consultant Foth Infrastructure & Environment LLC. The Plan Commission held an open house charrette at RAHS last January and had additional discussions in the spring to finalize. After waiting to see if the remaining 2020 census info would be released (it was not) the Plan was adopted in September. The 2042 Comprehensive Plan is available as a hard copy or on the City's website.
- Renewed Bird City and Tree City.
- The CDA approved five new businesses under the business incubator program. For the RAHS house flip class, 134 Eagle St was completed and will soon close with a new buyer. The house at 525 Laurel St is currently being roughed in.

HISTORIC PRESERVATION

- Donated two Wis Historical Society memberships to the Reedsburg United Fund Auction
- Installed informational bronze plaques at Ramsey Park and Nishan Park
- Further developed website (www.reedsburghpc.org) to include adding a virtual museum, new historic videos and interactive location photos
- Bought National Register plaques for Ralph Perry House and Corwith Livery
- Contracted with local business to restore several historic cemetery headstones
- Working on new sign for Saputo Field and mural of Agnes Moorehead
- Achieved Certified Local Government (CLG) status. CLG affiliation allows Reedsburg to designate local landmarks and apply for grant funding. When we were approved, the National Park Service requested a brief summary of the city's history for a social media post. It can be found here: <https://www.facebook.com/HHPreservItNPS/posts/408898991281326>

REEDSBURG INDUSTRIAL & COMMERCIAL DEVELOPMENT COMMITTEE

The RICDC reviewed the following in 2022:

- Holiday In Express
- Business Retention and Expansion Survey
- School-to-work initiative
- Business breakfast meeting
- Cellox addition
- Workforce housing

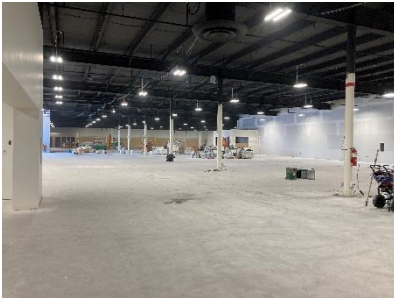

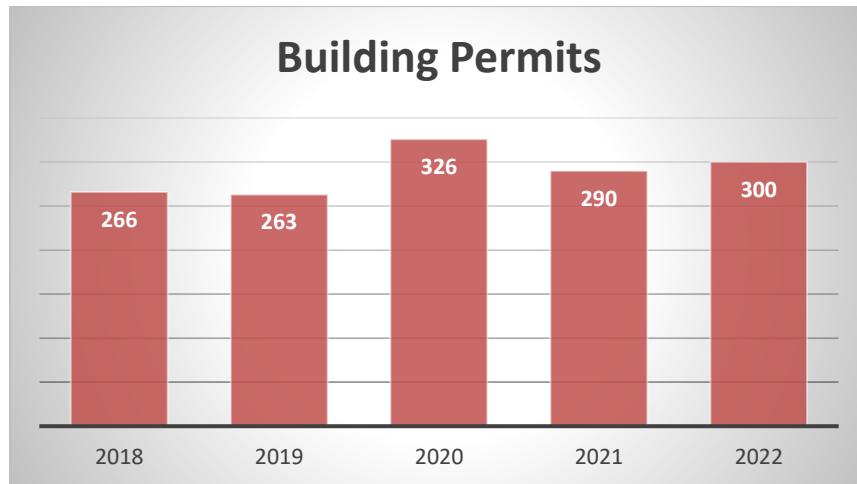

FLOODPLAIN

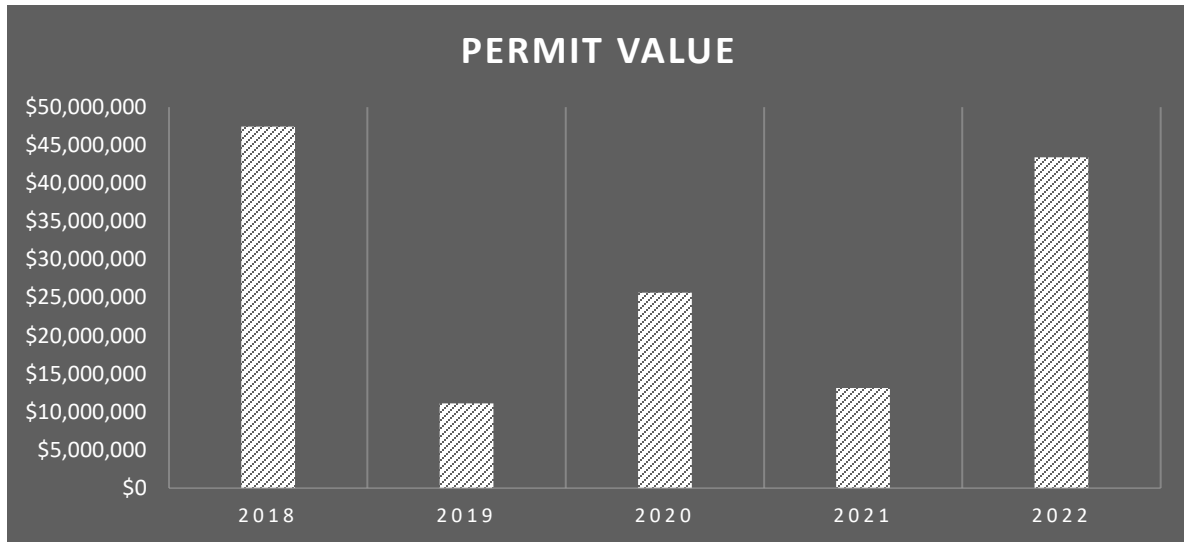

- The HMGP approved in 2022 the remaining four properties of the 2018 flood. All substantially structures from the flood have now been bought out and razed. The final reimbursements and close-out should occur in early 2023 with FEMA and DNR.
- The floodplain ordinance was updated in 2022 per FEMA and DNR requirements.

BUILDING

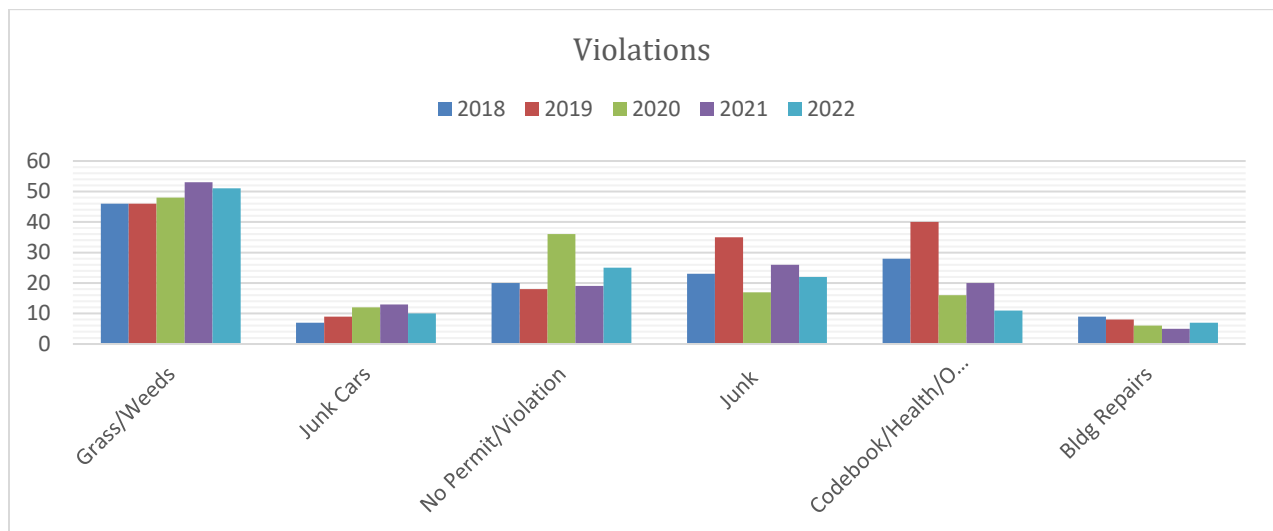

There were 300 building permits issued in 2022 including 20 single-family units, 12 two-family units, 72 apartments and 2 mobile homes.

CODE ENFORCEMENT

Code enforcement is initiated both by complaints received and violations discovered by myself. There were 126 complaints/violations addressed last year.

Looking ahead in 2023, 1- and 2-family residential has slowed due to interest rates, while commercial growth has started up again after a lull (Saputo, Holiday Inn Express, Cellox, Lynn Properties, etc) not to mention possibilities in the new business park. And the 2042 Comprehensive Plan will provide new opportunities and strategies to better handle growth that Reedsburg desires. If you have any questions, please contact me at 768-3354 or bduvalle@reedsburgwi.gov
