Reedsburg, WI  
December 17, 2025

The Public Works Committee for the City of Reedsburg convened a regular meeting, on December 17, 2025, at 5:30 p.m. at City Hall with the following members present:

Members Present: Phil Peterson, Jason Schulte, John Dietrich, Todd Polk and Charlie Backeberg

Also Present: Steven Zibell and Max Buckner

Motion by Dietrich seconded by Polk to approve the minutes of December 17th, 2025, meeting.

Motion Carried

Zibell discussed request to do a sub-Christmas theme name for some streets. Candy Cane Lane was done a few years back on Sunset Avenue and the signs are up year-round. Zibell stated the Candy Cane Lane sign is white lettering on a red background. Committee was ok with putting them up if the residents on the street are aware of it. Also discussed was only placing them on each end of the requested street and not at every street intersection. Also discussed was if a request comes in that the residents would need to pay for the signs.

No Action

Zibell discussed changes to our recycling ordinance requested from Wisconsin DNR. Zibell and Buckner stated they would bring a revised ordinance with changes to the Common Council in January. Committee was ok with this since the changes would be minimal and wouldn't change what we are currently doing for our recycling program, mostly a house keeping issue.

No Action

Zibell gave an update on the wwtp project.

Motion by Backeberg seconded by Schulte to adjourn.

Motion Carried

Adjourned at 5:54 p.m.

Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer  
City of Reedsburg
