Motion by Schulte second by Matteson to approve the minutes from the September 24, 2020 meeting.

Zibell presented the FAA transfer of entitlements form. Zibell stated this was money we did not spend within the period allowed so it goes back to the FAA for other projects. Zibell stated in the past this was just done at the State and Federal level but they are currently having the Airports sign the release form so everyone is informed. Motion by Matteson seconded by Schulte to allow the Clerk and City Attorney sign the release form.

Motion Carried

Eric Paradise discussed some items he would like updated on the current web site along with some links to Air-nav.com. Parker and Zibell stated to get the requested changes to Tom and he can have City Hall make those changes if possible. Other items related to the airport were discussed but no action at this time.

Moved by Schulte second by Matteson to adjourn at 8:10 am.

Motion Carried.

Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
